Program Notes

Song of Hope is dedicated to my good friend Ryan Anthony and his charity, Cancer Blows – a foundation set up to raise awareness and money to further the research that has helped give their family a hope for a future following Ryan's diagnosis of Multiple Myeloma

Upon hearing the middle movement (simply titled "Song") of my cornet concerto, Milestone, Ryan asked me if I could change the end from its current reflective ending to something more uplifting, and to title it Song of Hope, giving it much more meaning than I could have ever imagined.

With thanks to Jose Sibaja for his help and guidance in producing this adaptation for brass quintet.

For my friend Ryan.
